Silent Auction
The person who will be in charge of the "Silent Auction" on Saturday afternoon is Ulla Veiro (Beerman) email: ubeerman@aol.com. Please notify her in advance of your donation (can be general like a print or a small original painting) and the low bid limit (can be none) as soon as possible. She is spending part of the spring in her home country of Denmark. You will bring the donations to John Salminen's demo in the hour before it starts, we will collect them and arrange them on the special tables set up for that purpose in the dining room without disturbing the demo.

Details
Details for delivery and pick up of accepted paintings, the workshop arrangements and other important information will be sent to the accepted artists and workshop registrants. There is still room in the workshop for several people.

NOMINATIONS NEEDED FOR OFFICERS

We are still without nominations for key positions:
President
Treasurer
Vice President
Newsletter Editor
Traveling Show Chairman/ Coordinator
Website Chairman
Graphic Designer

The options are not great if we don't get volunteers. We can function with some emergency measures through 2018, but will have to begin to significantly raise dues to pay for outside management, graphic design, newsletter set up, etc. We cannot however receive grants unless we have officers. This is an issue we must face or Tennessee Watercolor will cease to exist in a few years.

The job of **President** this coming term will be much easier as the 2018 Exhibition is already set up with Patsy Sharpe and her team in Clarksville in command. Furthermore by the end of my term the website will have been through all the major routine events and the forms and procedures will only need to be tweaked or updated.

The **Treasurer's** job will also be easier, as I have offered to do all the accounting work for the organization for whatever grant funds we can get from TAC. This would serve to establish a technical grant that we can hopefully renew each year and hopefully increase so that when I retire from the job we can pay another accountant to keep the books and keep our dues records intact. Noriko and Linda have done a wonderful job as Membership Chair and Treasurer. So those records are in excellent condition going forward.

The **website** is easily managed with our professional group of webmasters. It is not hard to learn to use Wordpress if you have some computer skills. You need to be able to convert Word documents to PDF format, upload them to the site, and can post news items, directories, etc. with a little training.

The **traveling show** is already set up. We need a contract drafted and signed with the venues and someone to stay on top of each region receiving the show with the information about hanging, reception, and transport.

Nick Long has been our **graphic design** guru for years and is relinquishing his post to someone else for a much deserved rest. We can't thank him enough for what he has done for so many years, I can't count them. I know we have a lot of graphic designers in our group, so step up.

So as you see, much work has been done and it is not a steep climb. Volunteer! Contact me At bbjernigan@gmail.com
